ABOUT US

Mvelarse Trading (Pty) Ltd was founded in 2015 by **Sandiso Mthembu**, a passionate and driven entrepreneur who turned challenges into opportunities. Built from humble beginnings, the company has grown from a small civil contractor into a trusted name in the **construction industry**.

We specialize in **Civil Construction, General Building, and Supply Services**, proudly serving both the **Government and Private sectors**. Our growth and success are rooted in a commitment to **quality workmanship, timely delivery, and professional excellence**.

At Mvelarse Trading, we believe that every project is an opportunity to build lasting value. Guided by innovation, integrity, and a results-driven approach, we continue to deliver **infrastructure and building solutions that meet the highest standards**.

With a proven track record, a dedicated team, and strong client relationships, Mvelarse Trading (Pty) Ltd is not just constructing projects – **we are building trust, communities, and the future**.

Words From the Founder & CEO

"When I started Mvelarse Trading, my vision was simple – to build a company that stands for reliability, quality, and trust. I wanted to create an organisation that not only delivers successful projects but also uplifts the communities we serve. Every milestone we've achieved is a reflection of the hard work, dedication, and passion of our team, and I am proud of how far we have come."

"Our journey is still unfolding, and I believe the best is yet to come. At Mvelarse Trading, we remain committed to innovation, excellence, and continuous growth. Together with our clients and partners, we are building more than just projects – we are building opportunities, strong relationships, and a sustainable future for generations to come."

Sandiso Mthembu – CEO, Mvelarse Trading (Pty) Ltd

MISSION & VISION

*Committed to quality.
Trusted for consistency.*

Mission

At Mvelarse Trading, our mission is to provide exceptional construction and trading services that combine quality, reliability, and innovation. We aim to deliver solutions that not only meet but exceed client expectations, ensuring sustainable growth and long-term value. We are committed to empowering local communities through job creation, skills development, and meaningful partnerships that uplift lives.

Vision

Our vision is to be a recognized and trusted industry leader in construction and trading, setting new standards of excellence in service delivery. We aspire to grow into a company known for its reliability, customer-focused approach, and ability to turn challenges into opportunities. Mvelarse Trading seeks to expand its footprint across South Africa and beyond, becoming a symbol of quality, innovation, and transformation.

OUR SERVICES

*From Architecture to
Building – We Deliver
Quality*

At **Mvelarse Trading**, we offer a full spectrum of construction and related services designed to meet the highest industry standards. Our multidisciplinary expertise ensures that every project – whether civil, electrical, building, or fencing – is executed with precision, quality, and reliability.

We offer the following services:

Civil Construction

We undertake comprehensive civil works, including roads, bridges, stormwater systems, water reticulation, and sewer infrastructure. Our projects are designed for durability, efficiency, and long-term community benefit.

Building Construction

From residential homes to commercial and institutional buildings, we deliver projects that blend structural integrity with functional and aesthetic excellence. Each project is managed to ensure timely delivery, cost-effectiveness, and compliance with all regulations.

Electrical Installations

Our team provides professional electrical services, including wiring, lighting, power distribution, and maintenance solutions for both industrial and residential developments. Safety, efficiency, and reliability are at the core of every installation.

Fencing Solutions

We design and install a variety of fencing systems, including security fencing, boundary walls, and perimeter barriers. Our fencing solutions combine strength, durability, and visual appeal to secure properties while enhancing the overall look.

Project Planning & Management

We provide end-to-end project management services, including feasibility studies, budgeting, procurement, and supervision, ensuring that all projects are delivered on time, within budget, and to the highest quality standards.

Supply Services

We supply construction materials, equipment, and support services tailored to meet project requirements, ensuring a seamless and efficient construction process.

Earthworks

Excavation, land grading, and site preparation to create solid foundations for all types of projects.

Grass Cutting & Landscaping

Professional grounds maintenance and landscaping services to enhance the appearance and functionality of properties.
